

K&B SALES TOOLS

IMPROVE PRODUCTIVITY & PROFIT

Lead to Close Project Management

Design, plan and visualize kitchens & bathrooms with 2020 Design. Use these complimentary programs to improve your process and measure productivity

1: DATA+QUOTE MANAGER

- Links to accounting and POS Systems, eliminate duplicate data entry
- Very flexible pricing schemes beyond 2020 Design capabilities
- Multi-housing capabilities
- Integration with general estimating and other specialty estimating programs for comprehensive proposals
- Custom reporting, customize the way you want it

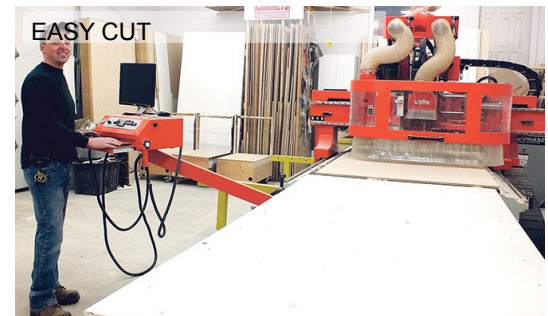

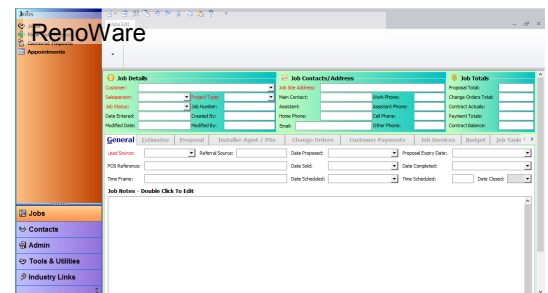

2: RenoWare

- Installed and Package Sales management
- Track leads, create legal documents (Installed & Package Sales), job progress, comprehensive reporting i.e. est. vs actual, lead follow-up, sales close ratios
- Consistent, professional customer experience from all staff by using the same system - easy to learn

3: Easy Cut

- Parts list for production
- Material costing
- Panel optimization
- Increase productivity with time-saving features for Sales, Designers, Production, and Admin staff in their day-to-day work
